The selection process for Members' Gallery Exhibits has been refined over the last several years to be as fair, anonymous and confidential as possible. A panel of jurors (academics and/or working art professionals) is chosen to meet and evaluate entries. *Quality images of artwork are important.* Selected artists should be prepared for a professional gallery show. Two-dimensional artwork cannot be displayed with gallery clips or saw-tooth hangers. Artists who are selected for solo or duo shows will be offered a particular month in 2020. Artists should receive their notifications by September 30, 2019.
